<u>Agenda Item #</u>	<u>Discussion</u>	<u>Action Items</u>
OIC	• Nothing.	
C/Supt Gill	• Nothing.	
Supt Schwartz	• CHRO message out yesterday re members using social media. Take a look at it and refresh with your members.	
Supt Hall	• Double shooting last night. High ranking BK member. Female vic was able to provide a name of SOC. • IHIT team here doing arrest on Chapman murder. • MP Lennon – fl member attended sudden death and looks like may be the missing person. • Fire yesterday – GI taken on. Fire was inside and outside. Inside carpet on fire and outside sprayed an accelerant on the balcony and lit it. BE – what warning do we need to put out to the public? MH – we will be putting a picture out to the media	

	today. • PTEP funding meeting postponed until March – 3 for sure potential 4. • Will be sending an email to Shawn to rev re digital triage program. They are taking this to Stubbs next week so we want this to the OIC before this happens.	
Supt Paradis	• Don't have a lot of activity at boarder. After hours is more activity. We have live feed into our EOC thorough provincial cameras. EOP back down there again today and Sgt. Mehdizade will be attending with them to engage with protesters. SG - Existing Hwy camera and we are only moitoring for road safety and not protests. • LMD call – TAC call out for AB went out det wide and SPS members were interested in going. Langley brought up appreciation for engagement with their street enf team and SGET. They will be doing some ride alongs with our members tomorrow night.	
Supt Burleigh	• Double shooting last night. Bit of a challenge to get scene OT. • Monitoring daily/evening patrols through Pac Boarder crossing. Nothing criminal at this time. MS – IO and file number has been created so any OT can be added to this. • Wellness meeting today – discussion to outdoor group fitness and ask for extended wifi coverage to outdoor gym. BE – fairly easy asks so ok with this. JB – will check with IT to confirm we can do this.	
SSM Koga	• Met with IPU member Dave Hill – add truth and reconciliation message in our signature blocks. We are looking into language criteria. BE – may be a good opportunity to review our signature blocks across the board. CP – there is a signature block template on iConnect.	
Cpl. Munn	• Busy start this morning – significant media interest in double shooting. CFSEU has requested their name is mentioned in these types of media releases.	
Johan	• WM elevator is out. Service won't be back until the end of Feb. will need to accommodate someone in Records and find them a desk on the lower level.	
Carly	• Second media course happening tomorrow training NCO's and LO's.	

Next Meeting:

Royal Canadian Mounted Police
Gendarmerie royale du Canada
